

Best Practice 1:

Title: Social Accountability

Objective: The College has got accountability not only to the in campus students but also to the problems of the society from which students come.

The context: The College is situated in interior remote place of Kamrup district. The surrounding area is having lots of socio economic problems.

The Practice: Adopted Village/ Introduction of Skill Courses/Voluntary classes conducted by the faculties in neighboring schools/ free health checkups etc.

Evidence of success: Introduction of PMKVY 4.0 skill courses, Voluntary classes in neighboring schools

Problems faced: Paucity of funds, lack of awareness about the facilities.

Distribution of study materials in neighboring schools

Free Health check ups

Best Practice 2:

Title: Cultural Accountability

Objective: To promote Satriya Dance among the students who belong from rural background.

The Context: Satriya dance is one of the recognized classical dance of India. Hence to popularize this dance culture in this rural area of Assam where Satra culture is predominant, it is necessary for an institute to promote this culture.

The Practice: Department of Performing Arts has been opened.

Evidence of success: Enrollment in this subject gradually increasing.

Problems faced: There are certain problems like dearth of permanent faculty, limited resources, non availability of honours subject etc.
